ILLINOIS LEADS THE WAY

Otho and Lee Ann Tucker pose with S & T Augusta 20th, Grand Champion Female, 1959 Illinois State Fair by Leveldale Ceasar for Malcolm Tucker & Son, Chrisman, Illinois. Half brothers and sisters to this champion are in the Tucker consignment to this sale.

AN EXCEPTIONALLY STRONG

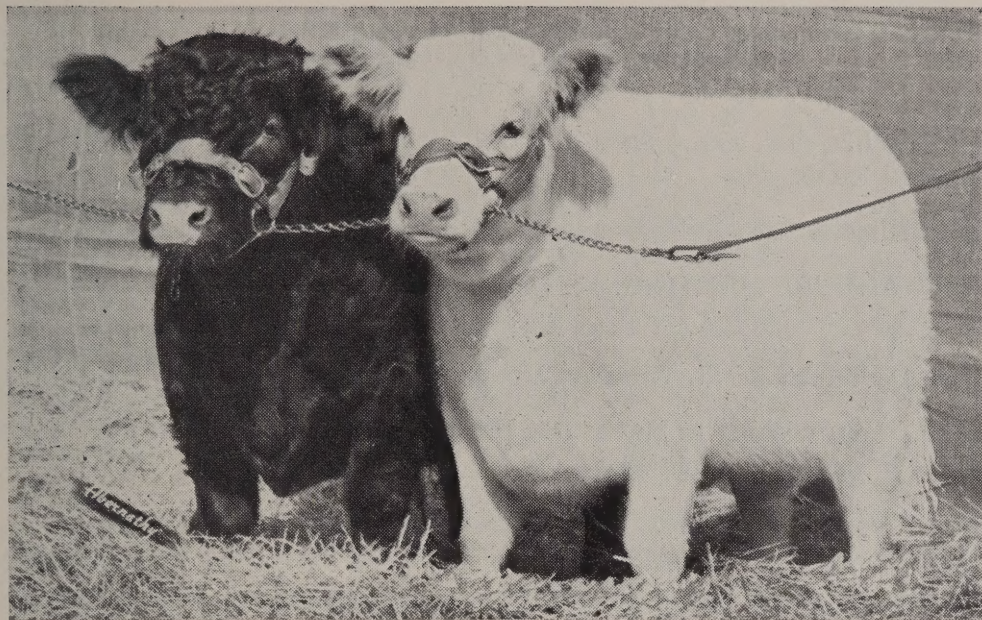

From one end of the state to the other, Illinois is filled with good Shorthorn herds. One hundred and fifty-three of them are dues paying members of the Illinois Shorthorn Association . . . and this number is growing every day.

It is from this wealth of good cattle we draw the entries to this sale. It is only natural that where the most Shorthorns are concentrated . . . the best buying opportunities will prevail.

Last year the Illinois Shorthorn Association decided to hold a Futurity Show and Sale in February, 1960. Throughout the year, top cattle were picked for this event, one by one, but late in the year it became evident that the minimum of 80 lots needed for this Futurity would not be available. Therefore, it was decided to change this to the regular Illinois Shorthorn Association Show and Sale.

Almost without exception, these top cattle nominated for the Futurity were placed in this sale. We believe these circumstances will result in a far superior offering than any heretofore.

This heifer is a daughter of Susanna's Custodian 20th, right, the herd sire owned in partnership by John Land & Sons, Ridgefarm, and W. A. Warters, Allerton. He was the reserve junior champion, Illinois State Fair, and a full brother to the 1956 International junior champion and 1957 Denver grand champion. One of the first daughters of the "20th" and out of a beautiful cow from the Robert Almy herd. She is the kind that will fit into a top herd . . . good headed, dark red, thick. Only white on her are two spots about the size of a half dollar on her hind legs.

John Land & Sons are Donating One-Half of the Purchase Price of This Heifer to the Illinois Shorthorn Lassies.

The original idea of the Lassies was to purchase a heifer and sell her in this sale. However, we feel we have made a better deal . . . and have been able to sell a much better heifer . . . by this half-half arrangement with John Land & Sons, without having to lay out any money. Otto Grosse, Northwood Fur Farms, Crystal Lake, and John Alexander & Sons, Melbourne Farms, Aurora, both wanted to donate a heifer, but had none available at this time. Instead, each were kind enough to send us checks for \$175. Another kind donation of \$25 came from William Bartholomay, Jr., Marellbar Farms, Libertyville. The Lassie fund will be further increased by selling a Polled heifer in the Illinois Polled Sale, Normal, March 26, on the same basis through the donations of W. A. Warters, Allerton. No sales charge or commissions of any kind will be charged against these heifers.

This money will be used to defray such Lassie expenses as the extensive travel by our Illinois Lassie Queen to represent the breed at many Illinois fairs, cattle events, and the International.

The Illinois Shorthorn Breeders' Association is a federation of ten district Shorthorn Associations in Illinois. Some of these associations have a larger membership than here listed, other members being affiliated with the Polled branch of the breed. We are proud that in nearly every section of the State, there is an active, aggressive association. It is the objective of the Illinois Shorthorn Association to give all help possible to these groups in their "grass-roots" work.

His dam, Bar Mar Augusta, was one of our best show females several years ago, standing second in the junior yearling class at the Illinois State Fair to Les Mather's famous Leveldale Crocus.
